

## Student Code of Conduct for Children - K-3

I am a child created by God.

I promise to obey and follow the rules in church and school,  
and ask my teachers and parents when I'm not sure of something.

God created my friends too.

I promise to be a friend like Jesus who loves everyone.  
Jesus made us each a little different and we are to respect that.  
I will be helpful to my friends when they need me.

My family is God's family.

I promise to be kind, tell the truth and share with others at all times.  
I know my parents and the rest of the family will help me grow up.  
So, I want to make them proud of the way they are teaching me to be.

The Ten Commandments are rules written in the Bible for me.

So I can have rules to follow to help me love my home,  
school, church, and people who work or live there.  
If someone I know has something or does something  
they are not suppose to, that could hurt someone,  
I promise to tell my parents or a grown up in charge.

God made everything for us.

Because of this, I know we can all live a good life.  
So I will try to be just like Jesus would want me to be.  
I promise to listen to my parents, teachers and anyone else  
Who is teaching me His loving ways like we read in the Bible.
